Gauging the temperature – **Presence**

Is our church a presence in our
community?

- Inside & outside of our building?

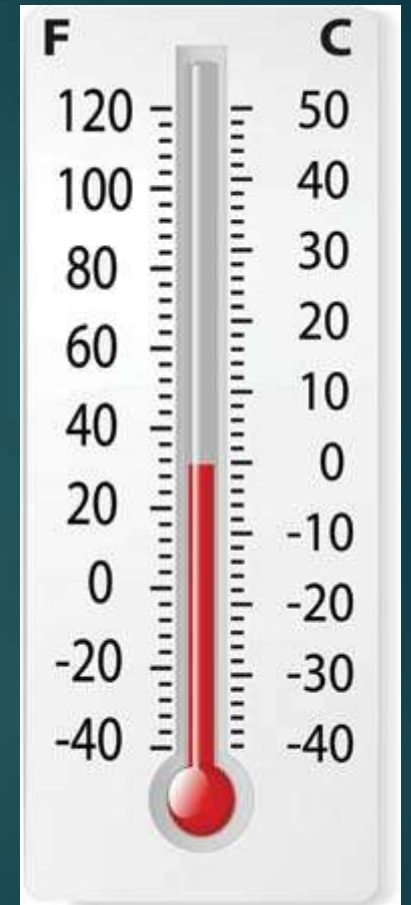

1 - cold, 4 - hot

Gauging the temperature – **Persuasion**

Does our lifestyle point towards Jesus? Do we make a good case for Jesus in our words and actions? What are we doing to persuade our community that life to the full can be found in Jesus?

1 - cold, 4 - hot

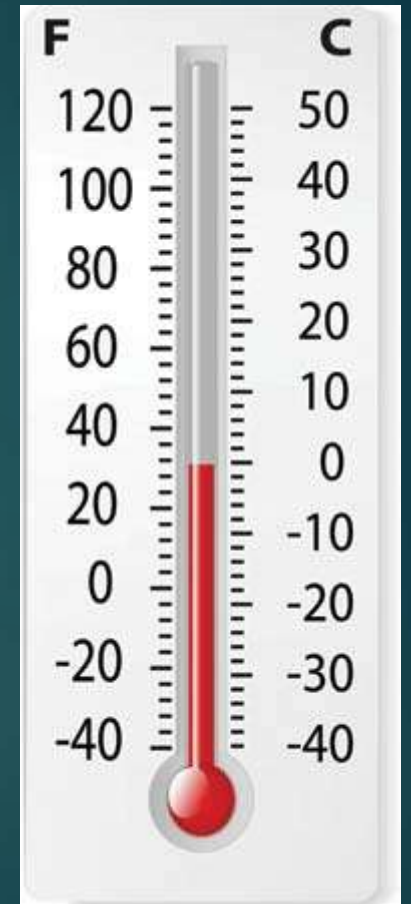

Gauging the temperature – **Proclamation**

How are we doing with our God talk?
Can we tell His story and our story of
how and why we follow? Do we share &
teach the gospel and ask questions on
our frontlines to help us to speak of God
with others?
