Messy Church

A big thank-you to everyone who came along to and helped with Messy Church yesterday. Messy Church really is "church" as well as fun! Do remember the children and families in your prayers. The next 'Messy' event will be on Saturday 18th March▲

Revive Newport - The church loving our community...

We are all Christians who love our community and the individuals within it. We see each person as created by God with unique worth and loved by Him. We want to demonstrate that love, through helping people come together and value what each of us has to offer.

It's good to welcome Pete Luther from Revive Newport this morning. As many of you will know one of the aspects of their work is the Newport Youth Café (NYC) which currently meets in the St. Paul's Christian Centre. Under the leadership of

Pete and the team, young people from our area can meet in safe surroundings and find activities, friendship and support. Pete and NYC have produced a new video, available on You Tube where leader Jay is interviewed. See the Video page on

the St. Paul's website▲

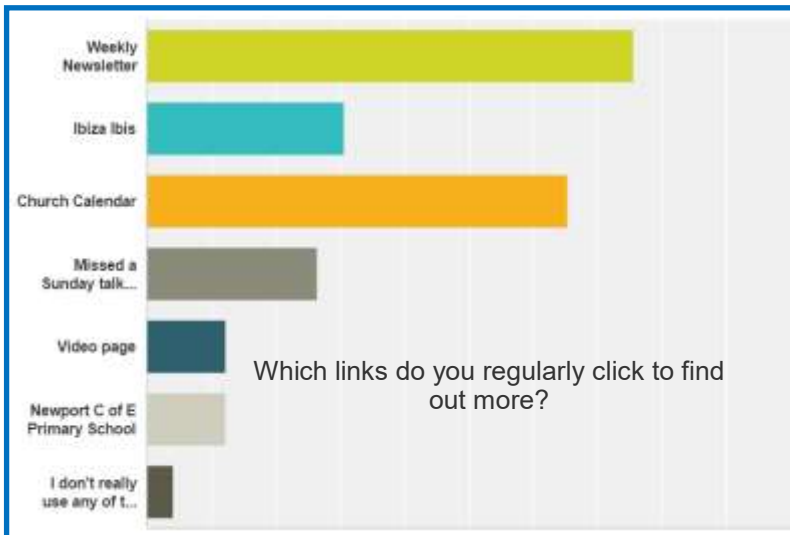

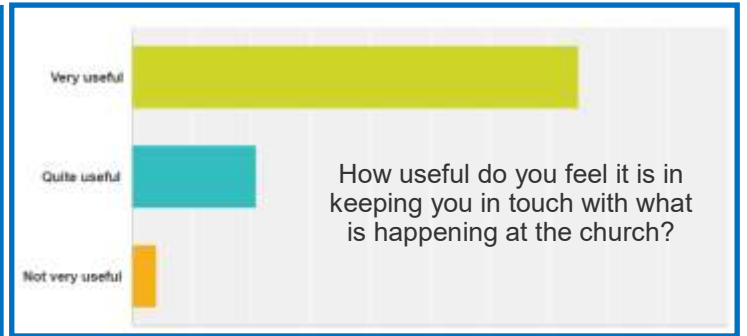

It's important that the Church communicates well. We had a really good response to our recent survey about the readership and use of our email newsletter, this goes out to just under 90 people each week. See the results over the page»

**Almighty God,
by whose grace alone we are accepted
and called to your service:

and make us worthy of our calling;
through Jesus Christ your Son our Lord,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever. Amen.**
