The Qualities we have

**Not 8 groups of people
these are 8 qualities of 1 people
Christ's ones.**

Some bible scholars believe each beatitude leads to the next.

John Chrysostom spoke about links in a chain

Some depict a ladder each step led to the other and each was dependant on the previous step.

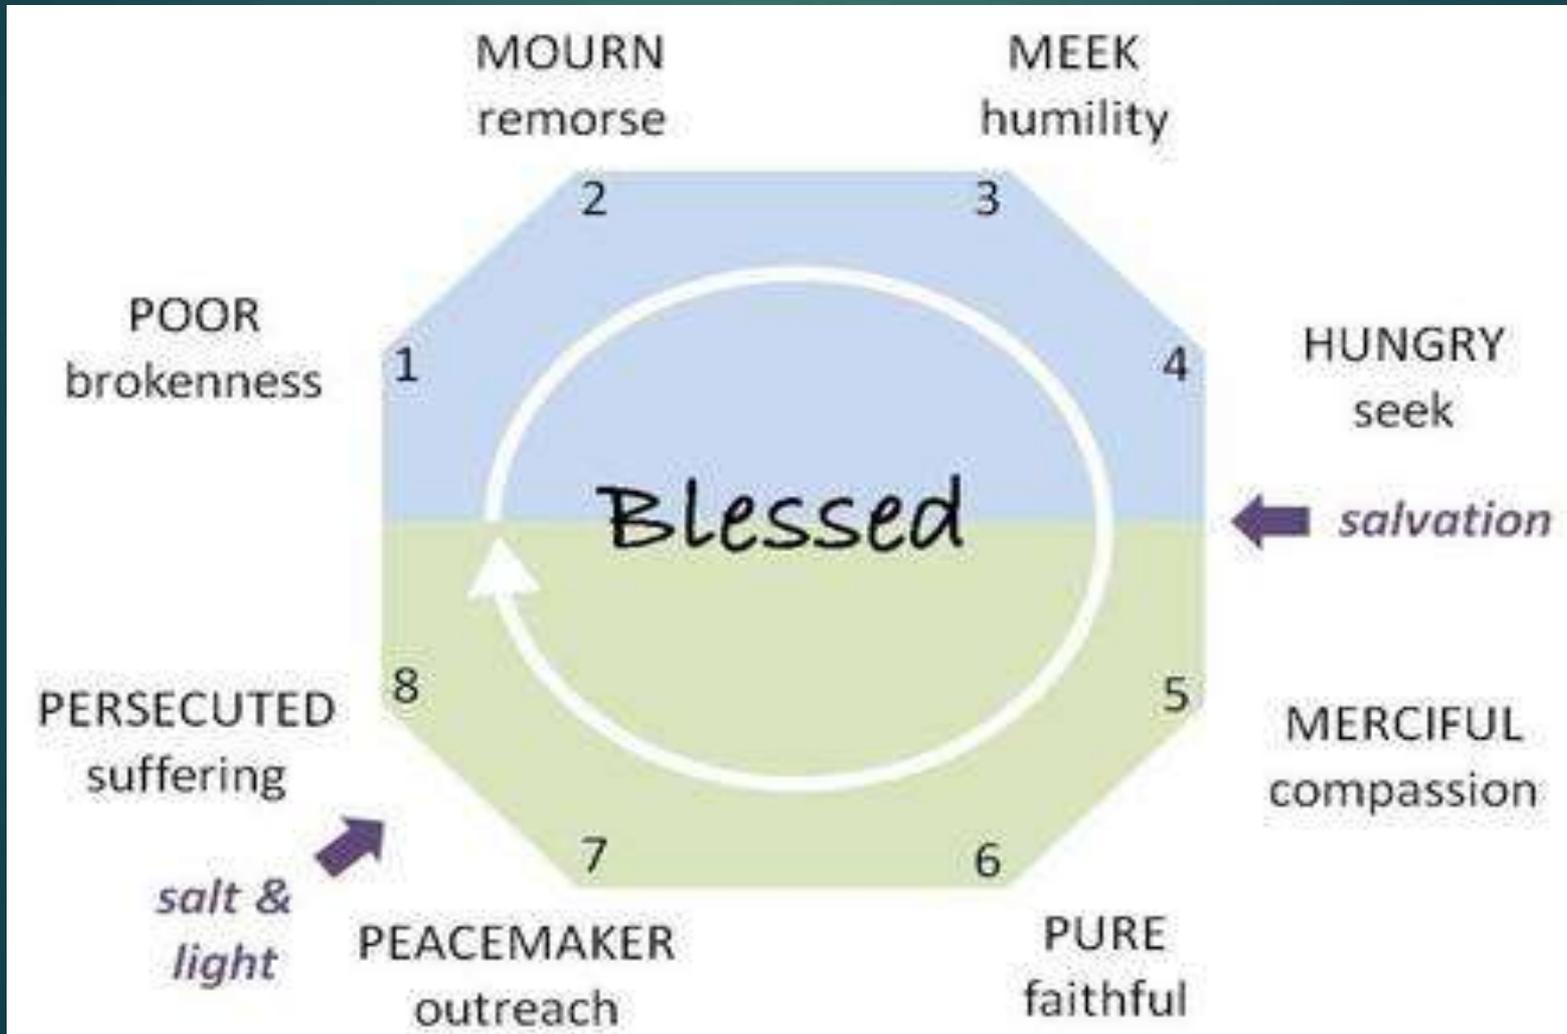

These pictures may help us memorise the 8 but over simplifies

Beatitudes steps

Poor in Spirit, Mourn, Meek, hunger, merciful, pure in heart, peacemakers, persecuted.

Persecution

Leah Sharibu

was abducted 2 years ago, she refused to renounce her faith. She paid the price with her freedom.

She was one of 110 girls abducted from their school in Dapchi, Nigeria by Boko Haram (19 Feb 2018).

Following negotiations by the government, the girls were allowed to go home.

Leah wasn't released because she refused to convert to Islam in exchange for her freedom.

Please also ask your church to pray on Sunday 16 February.
