**St. Paul's Barton - Sunday 06.02.22**

*4th Sunday before Lent*

**Welcome...**

To our **All-Age Service** today with Canon Stuart Holt.

**Coronavirus: latest updates**

**Covid guidance re removal of Plan B measures**

The Plan B Covid restrictions imposed as a result of the spread of the omicron variant were removed on January 27th. The updated national CofE guidance on public worship now applies. Full details can be found at:

<https://www.churchofengland.org/resources/coronavirus-covid-19-guidance>

The guidance states that face coverings are no longer mandatory in any setting but may be recommended in enclosed or crowded places, particularly where you come into contact with people you don't normally meet.

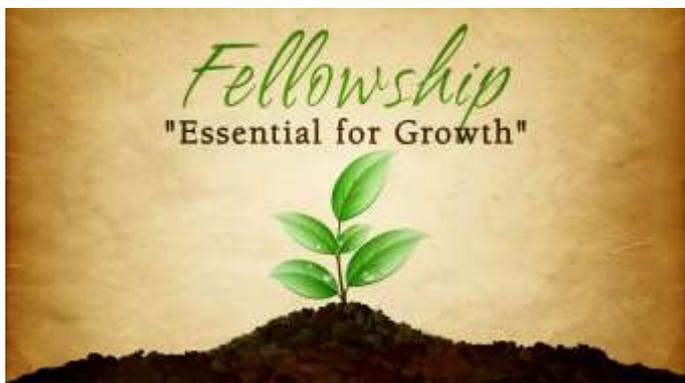

It is up to individual parishes to decide their own policies with regard to face-coverings, social distancing and ventilation, to keep their congregations and communities as safe as possible.

Keep an eye on [churchofengland.org/coronavirus](https://www.churchofengland.org/coronavirus) for the latest information.

As always, should you prefer a quieter service with smaller numbers, no singing and more space in the building there is a service of Holy Communion at St. Paul's on Wednesday mornings at 10:15am.

**Getting back to "normal"...**

We are reverting the communion format (and serving rota) to our pre Covid practice, and the offering bag has made a comeback! If you are interested in joining the Worship Team to increase our vocal capacity speak to Andrew.

Why not have some coffee, tea and fellowship at the **Coffee Morning on Saturday?** Enjoy some time to meet and enjoy one another's company again.

**Please pray...**

## **Revive Newport - February Prayer Letter**

Dear Prayer Partners,

A belated Happy New Year to you all! I hope you all had a blessed time at Christmas, and that your new year has started well. I am not one for making resolutions, but at our Revive retreat day, we were asked to consider what our goals might be for this year. This last two years have been very unsettling, as everything seemed to be constantly uncertain and temporary, and the desire to be stable, or 'rooted and grounded' in God, came to me, with **Jeremiah 17: 7,8**. "Blessed is the one who trusts in the Lord, and his confidence is in Him. He will be like a tree planted by the water, that sends out his roots by the stream." This was cross referenced to **Psalms 1:3** "He is like a tree planted by streams of water, which yields its fruit in season, and whose leaf does not wither, and whatever he does prospers"

That sounds good to me, and then I read the study notes for that verse in my bible, which said this "Such a tree withstands the buffeting of the winds, and flourishing, it blesses man, animals and birds, with it's unflinching fruit, and with it's shade." I think that is definitely my personal goal for this year, to be such a tree, and surely for Revive also, to be able to stand strong, even when buffeted, and flourish so that we can bless others with our fruitfulness, and provide shelter, protection, encouragement and strength to those who come under our care!

So, let us make a start, with our prayer points for this month:

### **Pete and Family**

Let's start the year by saying a big thank you for all your prayers for Pete. He is doing much better, taking time to look after himself properly, and aiding his recovery by being good at taking his supplements and attending counselling! He is gradually getting back to work, and is hoping to increase his hours so that he will be back on track by the end of February.

The children are continuing to develop and grow, Asher is especially doing well, so please pray that the intense physio this month will continue to help with his mobility and core strength. Niki has her book about TAPS coming out on Amazon on 3rd March, so pray for health and strength as she meets with similar organisations, to launch the book and get to those who need it. Please continue to pray for them all.

### **The Living Room**

The café has had a good start to the new year, with a good number of regulars returning after the Christmas break. The coffee, breakfasts, and meals are helping to build up a good customer base, who also enjoy the company and atmosphere. The team are daily having opportunities to care, help and give value to customers, and share about Jesus, so please continue to pray for Michele, Sally, Sammie, Kevin and Mike as they work and serve.

Please also remember in your prayers the two other members of the team, who keep everything working and running smoothly in the back ground.

Liz is our office administrator, dealing with all the paperwork, the Newsletter etc. and Becci, our financial manager in Scotland, who keeps us afloat and makes sure the bills and wages are paid!

### **Newport Youth Café**

Due to lack of sufficient helpers to run the group at present, we decided to close for a few weeks, reopening on **2nd March**. At present we are concentrating on the

detached youth work, going out and reaching those who really need the help most, especially working one to one, until Pete is fully recovered.

Please pray for Marie who is bearing the brunt of this

work at present, and for her and Pete, as they continue in the future to meet the needs of all these young people.

### **Finance**

Last year was obviously a difficult and slow year financially because of the pandemic, so now we will be focusing on ways to bring in more income, including seeking grants from the Police and Crime Commissioner again, to help fund the outreach work. Please pray for release of funds to finance all of the important work done by the Revive teams.

### **The Prayer Room**

All of our above points can only be accomplished by prayer, seeking God's wisdom, guidance and provision... You, our Prayer Partners, are our front line in this, as you read, and then commit all our requests to God. The Prayer Room was set up last year to provide

a tangible place where people can come in and pray, with the walls set up with prayer points, and with the Circle Of Hands project, to intensify our prayers for the work of Revive, and especially for the release of a building to house the youth work.

I know that we all live such busy lives, but if you are able to spare the time to pop in during the cafe opening times, I know you will be blessed, as well us! I am in every other Thursday, **11-1pm, the 10th and 24th in February**, if you would like to join me in prayer.

Thank you again, each and every one, for your ongoing support and loyalty, I am sure we can accomplish great things through our prayers this year. If you would like more information about Revive, please contact Liz at [admin@revivenewport.org](mailto:admin@revivenewport.org) and she will be pleased to send you our Revive Newsletter.

God bless and keep you all. I know some of you are going through tough times, and we lift you to our heavenly Father, who knows and cares about each one.

Love and blessings,

**Maureen - Revive Prayer Coordinator**

### New to St. Paul's?

**You are very welcome...**

Our usual Sunday services are very simple - an opening hymn, a time of prayer and confession, a talk, followed by a time of worship and prayers then (twice a month) we have Holy Communion (all are welcome) and finally, a closing hymn.

There is an offering plate at the back of the church, we welcome contributions but please don't feel obliged to give! If you would like to know more about what it means to be a Christian speak to Rev. Dozie or Andrew and Josephine our Churchwardens.

### Choose Godspeed!

**Proverbs 16:17** *The highway of the upright is to depart from evil; He who keeps his way preserves his soul.*

**Mark 1:15** and saying, *"The time is fulfilled, and the kingdom of God is at hand. Repent, and believe in the gospel."*

Proverbs says the "highway of the upright is to depart from evil". It's a highway - a way of life so to speak. And this proverb coincides with the central teaching of

Yeshua (Jesus) - "Repent, for the Kingdom of God is at hand." What does it mean to repent? The Greek Word is "metanoia" which simply means to change your mind about sin or to depart from evil.

Repentance is essentially a new attitude about the way I conduct my life. I don't expect perfection while remaining in this mortal body - but a lifestyle of repentance means that I choose to live my life set apart unto the Lord, in communion with His Holy Spirit who lives in me, constantly turning away from and/or confessing my sins. Repentance does not involve rehearsing guilt, regret, or sins of the past, because true repentance and confession removes those from our conscience and the Lord declares them to be as far as the east is from the west!

Friends, choose the highway of the upright and speed your way through life's journey to the Kingdom of Heaven which awaits you. The enemy would love to sidetrack or distract you with the enticement of sin - but even if he succeeds temporarily, you can always repent - and speedily, get back on the right road - the highway of the upright.

### The Back Pew - Jeff Larson

Their sins and lawless acts I will remember no more. **He 10:17** I, even I, am he who blots out your transgressions, for my own sake, and remembers your sins no more. **Is 43:25**
